

MAJESTY DIAMONDS

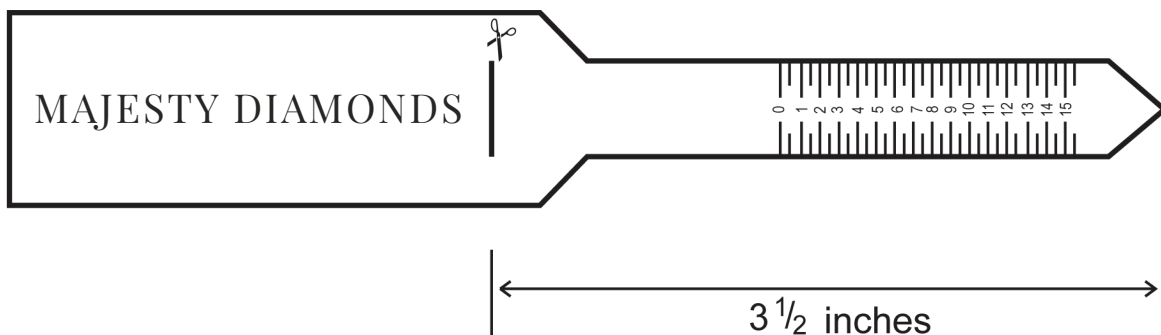

IMPORTANT

For best results, please go to the 'printing settings' before printing and make sure that the 'page scaling' option is set to 'none' in the print dialogue box.

MajestyDiamonds' ring size chart must be printed at 100% on a full letter size (8 1/2 x 11 inch) page

Measure your finger at the time of day it is largest (usually end of day) and avoid measuring when your fingers are cold or damp as they will be at their smallest

Use the 'confirm printer paper size' section to the right to confirm the sizing guide has been printed correctly

PRINT YOUR RING SIZER

1. Please print out this page following the "how to use" instructions found above.
2. Cut out the ring sizer found below and cut a slot on the ring sizer where directed.
3. Now insert the tab inside the slot. The numbers should be facing you.
4. Put the ring tool around your finger and pull on the tab until it is snug around your finger but not too tight
